

# *Beyond Corporate Gifting*

Connecting our teams and showing appreciation for hard work is always important, even more so in a year when the usual methods for interaction are upended.

Let REX HILL's team of wine and hospitality experts help create memorable, fun, and exciting alternatives to your scheduled year-end company parties and gift packages to celebrate your 2020 accomplishments with clients and employees.

## *Learn to Taste Like a Sommelier*

Spices aren't just for adding flavor to food, they can also be a useful educational tool to identify common scents found in wine. Gift package comes with a set of curated spices from Oregon's own Tea & Spice Exchange and a fun virtual tasting, where one of our certified wine educators will use our selected spices to train your nose and palate. Wow your friends and colleagues with your mastery of wine tasting!

Pairing package comes with a virtual food & wine pairing experience with one of our sommeliers.

## *Sparkling Toast & Team Building*

Gift our limited-production REX HILL Sparkling duo to celebrate your year's accomplishments. Our certified wine educator will unravel the mystery of sparkling wines – how they are made, the lingo, and most importantly how to open them – while you sip and toast during a virtual gathering.
